The home sold must close and fund to receive the trip. The trip will be provided in the form of a \$5,000 gift voucher (which is the approximate value of the trip for 2) through a travel agency selected by Seller, and issued within 2-3 weeks after the closing of the sold home. The trip is for airfare from Dallas, Texas to Bali, Indonesia, 5 nights stay at the Oberoi Lanai, transfers between the airport and hotel, and daily breakfast. The length of time the gift voucher is valid is governed by the travel agency. Once a gift voucher is purchased, it cannot be redeemed for cash. Realtor must provide a completed W-9 to redeem the gift voucher and assumes all IRS tax implications. Realtor may accept the gift voucher or payment of the bonus at closing but not both.
