

Beginning Sailing

Open Sailing Clinic

This open session is included free of charge with the purchase of an All Access Annual Pass and each passholder may attend up to twice a year. [Register online](#) for an introduction, refresher or tune up of your skills. Instructors will be available to help you with basic skills or answer questions.

ADULT Learn to Sail Course

If you've never sailed before but always wanted to, this course is for you! It will equip you with basic sailing knowledge to help you feel more comfortable on the water. This is a 10 hour course offered in either two day or five day format. Participants must be 18 or older. At the end of the course participants will be prepared to qualify to sail our RS Quest sailboats. Cost is \$75 per person for All Access Passholders or \$150 for the general public. [Advance registration](#) is required.

Experienced sailors are invited to skip introductory courses by "Challenging the Course". In this challenge, you will demonstrate your sailing knowledge and skills. Schedule a "Challenge the Course" appointment by emailing info@viridiansailing.com. You may only "Challenge the Course" once and must be a current annual pass holder.

Youth & Teen Summer Sailing Camps

Students will learn the fundamentals of sailing through actual time on the water, sailing with supervision. They will learn by doing, experiencing how the wind moves a sailboat. They will be introduced to all the important parts of sailboats as well as wind strength, wind direction, flotation fundamentals and basic weather influences on sailing. This camp includes hands-on, investigative and experience-based lessons that create excellent memories. Morning Youth Camp sessions are for kids ages 8-12. Afternoon Teen Camps are for ages 13-17. [Advance registration](#) required.

End the summer with Youth Racing Camp, a special session for returning campers ages 8-12 who have already completed youth basic camp and want to learn more and continue the fun on the water with more challenging instruction.
